

CINNAMON

Connecting an International Network Of Academic
Manufacturers of ONcoimmunotherapies

CINNAMON is working to advance

safer

affordable

equitable

CAR-T therapies across Europe

Collaborating
today for cancer
cures tomorrow

Ever imagined that the ultimate **weapon**
against cancer is already **inside you?**

Your T-cells can be trained to fight back

This is no longer science fiction - it's the **future of medicine**

This flyer is part of COST Action CINNAMON CA24115, supported by COST.

COST (European Cooperation in Science and Technology) is a funding agency for research and innovation networks (www.cost.eu). Our Actions help connect research initiatives across Europe and enable scientists to grow their ideas by sharing them with their peers. This boosts their research, career and innovation.

Funded by
the European Union
